As I sit at my desk preparing my comments for this month's newsletter, I am getting more and more excited over our District 60 Fall Conference on November 11 - 13. I sincerely hope we will see you there.

It's going to be an amazing weekend of education, fun, inspiration and innovation. My thanks to Al Cameron and his wonderful conference committee for the work they have done in planning this conference. Unless you've been involved in helping organize a Toastmasters conference, you have no idea of the number of details and many hours of planning involved. And it's all done for YOU, our fellow Toastmasters in District 60.

See you at the conference!

Greetings Fellow Toastmasters:

The Fall Conference is almost here. This is going to be a great weekend of fun, education and friendship. Don't miss it.

The next item on our busy agenda is Phase II Club Officer Training which is coming up early this year. We're holding the T.L.I. on Thursday, December 8, from 6:00 p.m. to 10:00 at the Unity Church at 173 Eglinton Avenue West. This is within walking distance from Yonge Street, so very accessible for those of you taking the TTC from work. Check the District website for more details.

The mission of a Toastmasters club is to provide a mutually supportive and positive learning environment in which every individual member has the opportunity to develop oral communication and leadership skills, which in turn foster self-confidence and personal growth.
